

# STUDENT COUGAR CLUB

## - WHAT IS THE STUDENT COUGAR CLUB?

The Student Cougar Club (SCC) was created to bring together those students who want to be more than just a casual fan. Each year, our members attend home sporting events, as well as some away games helping to create an incredible home-court and home-field advantage for the Cougars.

The organization is also a stepping-stone for students to advance into the Cougar Club to support CofC Athletics for many years to come. All funds go back into supporting student-athlete scholarships.

## - WHAT ARE THE BENEFITS?

All members of the SCC get access to exclusive events such as:

- Pre-game Tailgates
- Viewing Parties
- Meet & Greets with Cougar coaches and athletes
- Bus trips and more!
