## INDEPENDENT AUDITORS' REPORT

To the Board of Directors,  
Gator Boosters, Inc.:

### Report on the Financial Statements

We have audited the accompanying financial statements of Gator Boosters, Inc. (Gator Boosters), a direct support organization and component unit (for accounting purposes only) of the University of Florida, as of and for the years ended June 30, 2013 and 2012, and the related notes to the financial statements, which collectively comprise Gator Boosters' basic financial statements as listed in the table of contents.

### *Management's Responsibility for the Financial Statements*

Gator Boosters' management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Gator Boosters as of June 30, 2013 and 2012, and the changes in financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## ***Other Matters***

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

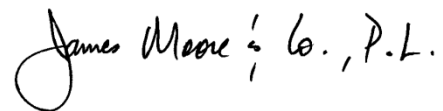

### ***Other Information***

Our audit was conducted for the purpose of forming an opinion on the basic financial statements that collectively comprise Gator Boosters financial statements as a whole. The schedule of funds held and invested by the University of Florida Foundation, Inc. on behalf of Gator Boosters, Inc. and the detailed schedule of revenues, expenses, and budgeted capital items compared with budget (included on pages 23 through 28) are presented for purposes of additional analysis and are not a required part of the financial statements.

The schedule of funds held and invested by the University of Florida Foundation, Inc. on behalf of Gator Boosters, Inc. is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The detailed schedule of revenues, expenses, and budgeted capital items compared with budget has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 20, 2013, on our consideration of Gator Boosters internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Gator Boosters internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**JUNE 30, 2013 AND 2012**

***Introduction***

Gator Boosters, Inc. (Gator Boosters), a not-for-profit corporation, is a Direct Support Organization of the University of Florida (the University). The mission of Gator Boosters is to strengthen the University's athletic program by encouraging private giving and volunteer leadership from Gators everywhere. Gator Boosters is the University's athletic fund-raising arm. Its goals are to fully fund the scholarship needs for the University's student-athletes and provide them with the resources necessary to compete at the highest level in athletics and academics. The success of Gator Boosters fund-raising efforts is a testament to the accomplishments of our athletes, the generosity of our membership and the hard work of our fundraisers and support staff.

***Overview of the Financial Statements***

This report is provided for your convenience and understanding of Gator Boosters financial condition and operating activities as of and for the fiscal years ended June 30, 2013 and 2012. This discussion and analysis is a narrative explanation of Gator Boosters' financial condition and operating activities for these years. The overview presented below highlights the significant financial activities that occurred during the past two years and describes changes in financial activity from the prior year. Please read this overview in conjunction with the comparative summaries of net position and revenues, expenses and changes in net position and Gator Boosters' financial statements, which begin on Page 11.

***Using These Financial Statements***

This report consists of a series of financial statements, prepared in accordance with Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments* and Statement No. 35, *Basic Financial Statements – and Management's Discussion and Analysis – for Colleges and Universities*.

There are three financial statements presented: the Statements of Net Position, the Statements of Revenues, Expenses and Changes in Net Position and the Statements of Cash Flows. The Statements of Net Position and the Statements of Revenues, Expenses, and Changes in Net Position help to answer the question of whether Gator Boosters is better or worse off as a result of the year's activities. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

***Summary of Net Position***

The Statements of Net Position presents the assets, liabilities and net position of Gator Boosters as of the end of the last two fiscal years. A Statement of Net Position is a point-in-time financial statement. Its purpose is to present to the readers of the financial statements a fiscal snapshot of Gator Boosters. The Statements of Net Position present end-of-the-year data concerning Assets (what Gator Boosters owns and how much is owed by others), Liabilities (what Gator Boosters owes to others and has collected from others before the service has been provided), and Net Position (Assets minus Liabilities). The statements are prepared using the economic resources measurement focus and the accrual basis of accounting, where revenues are recorded when earned and expenses are recognized when they are incurred.

**GATOR BOOSTERS, INC.**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**JUNE 30, 2013 AND 2012**  
(Continued)

From the data presented, readers of the Statements of Net Position are able to determine the assets available to continue the operations of Gator Boosters. They are able to determine how much Gator Boosters owes vendors and other entities. Finally, the Statements of Net Position provide a picture of the net position and availability for expenditure by Gator Boosters.

Net Position is divided into three major categories. The first category is "unrestricted" net position. Unrestricted net position is available to Gator Boosters for any legal purpose. The next net position category, "net investment in capital assets", presents Gator Boosters' equity in property and equipment. The final category is "restricted" net position for permanent endowments. Gator Boosters' restricted net position includes the cash surrender value of life insurance policies, which are restricted by contributors for permanent endowments.

***Highlights***

- Gator Boosters transfers its operating income in the form of contributions to the University Athletic Association, Inc. (the Athletic Association) for scholarships and capital improvements and contributions to an endowment fund held at the Foundation for athletic scholarships. As a result, net position remains relatively unchanged from year to year and this year Gator Boosters had no exceptions as did the prior year.
- In 2013, funds held and invested by the Foundation increased by \$7.2 million, as opposed to in 2012, where the funds held and invested by the Foundation decreased by \$0.1 million. This change is due to the timing of payments made to the Foundation in conjunction with Major Gift pledge donations. The 2012 decrease in current assets by \$1.2 million is due to the timing of payments made to the Athletic Association primarily through the liquidation of short term investments.

***Summary of Revenues, Expenses, and Changes in Net Position***

The Statements of Revenues, Expenses and Changes in Net Position present the revenues and expenses incurred during each year. Revenues and expenses are reported as operating and nonoperating. Operating revenue consists of contributions from a 14,000 plus-person membership and major gifts. Operating expenses are related to the necessary administrative and personnel needs to manage and promote the membership program.

Nonoperating revenues are revenues received for which goods or services are not provided. Investment income generated on the endowment funds held at the Foundation and on Gator Booster operating funds are classified as nonoperating revenues.

Nonoperating expenses are investment and gift fees related to the management of the endowment funds, and the transfers of contributions to the Athletic Association and the Foundation.

*Highlights*

- Football related contributions in 2013 increased by \$0.9 million and decreased in 2012 by \$1.9 million. The increase in 2013 is due to the final implementation of a scheduled increase in booster contribution requirements. The 2012 decrease is due to booster attrition in the top donor club levels.
- Basketball related contributions for the 2013 season decreased by \$0.4 million and increased in 2012 by \$0.4 million due to the timing of the season ticket renewal sales.
- Capital improvement contributions are major gifts designated by the donors for facility construction and renovation. In 2013, these contributions increased by \$3.3 million due to additional gifts received for new projects. In 2012, capital improvement contributions increased \$5.3 million.
- Earnings from endowments at the Foundation decreased \$0.1 million in 2013 and increased \$0.3 million in 2012 due to investment performance fluctuations.
- In 2013, investment income remained flat due to the interest earned in a Special Purpose Investment Account. In 2012, investment income decreased due to a real estate write-down offsetting the interest earned in a Special Purpose Investment Account.
- Contributions to the Athletic Association increased in 2013 by \$3.6 million due to increased contributions received for football related and capital contributions. In 2012, an increase of \$4.0 million was due to an increase in basketball related and capital contributions received for the year.
- Gift fees paid to the Foundation fluctuate based on capital contributions received on a year to year basis.

***Summary of the Statements of Cash Flows***

The final statements presented are the Statements of Cash Flows. The primary purpose of the Statements of Cash Flows is to provide detailed information about the cash receipts and cash payments of Gator Boosters during the years shown. The statements classify cash receipts and cash payments as they result from operating, noncapital financing, capital and related financing, or investing activities. The first section, cash flows from operating activities, presents the cash effects of transactions and other events that enter into the determination of Gator Boosters' operating income. The second section, cash flows from noncapital financing activities, shows the cash received and spent for nonoperating, noninvesting, and noncapital financing purposes and includes contributions to the Athletic Association and Foundation. The next section, cash flows from capital and related financing activities, provides information about cash used for the acquisition of capital assets and related items. The fourth section, cash flows from investing activities, details the proceeds and income received from investing activities. The final section reconciles the net cash provided (used) by operating activities to the operating income reflected on the Statements of Revenues, Expenses and Changes in Net Position.

***Highlights***

- In 2013, cash provided by operating activities increased by \$3.6 million due to contribution increases for capital projects and football related giving. In 2012, cash provided by operating activities increased by \$4.2 million due to increases in capital projects and basketball related giving.
- Cash used for noncapital financing activities decreased by \$4.5 million in 2013, whereas an increase of \$6.3 million took place in 2012 due to fluctuations in the contributions to the Athletic Association and UF Foundation.
- Cash provided by investing activities decreased \$7.8 million in 2013 due to the timing of transfers from the Foundation to Gator Boosters. In 2012, there was an increase of \$2.8 million due to more proceeds from the sale and maturities of investment securities and investments held at the Foundation.

*Next Year*

Endowment growth will continue to be a primary focus of Gator Boosters in 2013. Capital improvement contributions are expected to increase due to the announced O'Connell Center renovation project.

We anticipate no significant increases in operating expenses and will continue to work hard to trim expenses where possible.

The accompanying notes to financial statements  
are an integral part of these statements.

**GATOR BOOSTERS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2013 AND 2012**

(1) **Summary of Significant Accounting Policies:**

The following is a summary of the more significant accounting policies of Gator Boosters, Inc. (Gator Boosters), which affect significant elements of the accompanying basic financial statements:

(a) **Reporting entity**—Gator Boosters is a not-for-profit organization established solely to solicit funds for the benefit of the University of Florida (the University) athletic programs. The accompanying financial statements are intended to present the results of these fund raising efforts and the resources available to support the University's athletic programs. Gator Boosters is a direct support organization and component unit (for accounting purposes only) of the University.

(b) **Measurement focus, basis of accounting, and financial statement presentation**—The financial statements of Gator Boosters have been prepared using the economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recognized when they are incurred.

Gator Boosters distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses for Gator Boosters are those that result from the solicitation of funds for the benefit of the University athletic programs. It also includes all revenue and expenses not related to capital and related financing, noncapital financing, or investing activities. As required by GASB Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*, contributions to permanent endowments are not considered operating revenues and are reported after nonoperating revenues and expenses in the accompanying statements of revenues, expenses, and changes in net position.

(c) **Cash and cash equivalents**—For purposes of reporting cash flows, cash and cash equivalents include only highly liquid investments with original maturities of three months or less.

(d) **Accounts receivable**—Accounts receivable are stated at the amount management expects to collect from balances at year-end. Based on management's assessment of the credit history with organizations and individuals having outstanding balances and current relationships with them, it has concluded that realized losses on balances outstanding at year-end will be likely immaterial. Gator Boosters has no policy requiring collateral or other security to support its accounts receivable.

(e) **Capital assets**—Capital assets purchased or acquired with an original cost of \$700 or more are recorded at historical cost or estimated historical cost. Contributed assets are recorded at fair market value as of the date received. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the estimated useful lives of the assets, which is considered to be five years for all assets owned by Gator Boosters at June 30, 2013 and 2012.

(f) **Restricted assets**—Restricted assets include the cash surrender value of life insurance policies, which are restricted by contributors for permanent endowments.

**JUNE 30, 2013 AND 2012**

(1) **Summary of Significant Accounting Policies:** (Continued)

(g) **Accrued compensated absences**—Eligible employees are entitled to vacation and sick leave with pay. Employees are not limited in the amount of annual and sick leave accrued during the fiscal year. For annual leave, however, only a maximum of 352 hours can be carried forward from one fiscal year to the next and only a maximum of 200 hours can be paid upon termination provided the employee has completed six months of continuous service. Any amounts accrued over the maximums convert to sick leave at the end of the year on an hour for hour basis. Effective January 2012, the sick leave payout for employees was eliminated except for employees separating employment for retirement reasons. Eligible employees must retire on or before June 30, 2016, and either be at least age 62 and have completed at least ten years of creditable service or have completed 30 years of creditable service. If these requirements are met, retirees will be paid out 1/4 of their sick leave balance up to a maximum of 480 hours. Vacation pay is expensed when earned by the employee up to the maximum payout. Sick leave payments are expensed when earned up to the maximum payout only for eligible employees. The effect of these changes in the Gator Boosters' compensated absence policies was a reduction in the accrued compensated absence liability of approximately \$50,000 as of June 30, 2012.

(h) **Net position**— Net position is classified and displayed in three components:

- Net investment in capital assets – consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any debt that is attributable to those assets.
- Restricted – consists of assets that have constraints placed upon their use either by external donors or creditors or through laws, regulations or constraints imposed by law through constitutional provisions or enabling legislation, reduced by any liabilities to be paid from these assets.
- Unrestricted – consists of assets that do not meet the definition of “restricted” or “net investment in capital assets.”

When both restricted and unrestricted net position is available for use, it is Gator Boosters' policy to use restricted resources first, then unrestricted resources as they are needed.

(i) **Use of estimates**—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

(j) **Income taxes**—Gator Boosters is generally exempt from Federal income taxes under the provisions of Section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying financial statements.

Gator Boosters has reviewed and evaluated the relevant technical merits of each of its tax positions in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes, and determined that there are no uncertain tax positions that would have a material impact on the financial statements of Gator Boosters.

**GATOR BOOSTERS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2013 AND 2012**

(1) **Summary of Significant Accounting Policies:** (Continued)

Gator Boosters files tax returns in the U.S. federal jurisdiction. The tax periods open to examination by the major taxing jurisdictions to which Gator Boosters is subject include fiscal years ended June 30, 2010 through June 30, 2013.

(k) **Reclassifications**—In order to facilitate the comparison of financial data, certain June 30, 2012 account balances have been reclassified to conform to the current year reporting format. These reclassifications had no effect on net position.

(2) **Cash and Investments:**

(a) **Cash and cash equivalents**—Gator Boosters had demand deposits with a regional bank with bank balances amounting to \$1,330,783 and \$1,154,508 at June 30, 2013 and 2012. Custodial credit risk for deposits is the risk that in the event of a bank failure, Gator Boosters' deposits may not be returned. Gator Boosters does not have a deposit policy for custodial credit risk, although all demand deposits with banks are federally insured up to \$250,000 under FDIC protection. As of June 30, 2013 and 2012, \$1,080,783 and \$904,508 respectively, of Gator Boosters' bank balances was exposed to custodial credit risk.

(b) **Investments**—Gator Boosters reports investments at fair value, except that money market investments that have a remaining maturity at the time of purchase of one year or less are reported at amortized cost provided that the fair value of those investments is not significantly affected by the impairment of the credit standing of the issuer or by other factors. Money market investments are defined as short-term, highly liquid debt instruments including commercial paper, banker's acceptances, and U.S. Treasury and agency obligations.

Short-term investments are comprised of an investment account with the State of Florida Division of Treasury and are reported at fair value.

As of June 30, 2013 and 2012, Gator Boosters had the following investments:

|   | <b>2013</b> | <b>2012</b> |
|---|-------------|-------------|
| <b>Short term investments:</b>                            |             |             |
| <b>External Investment Pools:</b>                         |             |             |
| Florida State Treasury Special Purpose Investment Account | \$ 115,590  | \$ 729,381  |

**Custodial Credit Risk**—For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Foundation will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. Investments are subject to custodial credit risk if the securities are uninsured, not registered in Gator Boosters' name, and are held by the party that either sells to or buys for Gator Boosters. Gator Boosters does not have a policy regarding custodial credit risk. At June 30, 2013 and 2012, Gator Boosters' investments were invested in the State Treasury Special Purpose Investment Account (SPIA) and therefore, are not categorized as to custodial credit risk.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2013 AND 2012**

(2) **Cash and Investments:** (Continued)

**Interest Rate Risk**—Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. Gator Boosters does not have a policy for interest rate risk associated with its investments.

Gator Boosters' investment in the State Treasury Special Purpose Investment Account (SPIA) represents ownership of a share of the pool, not the underlying securities. The State Treasury has taken the position that participants in the pool should disclose information related to interest rate risk and credit risk. The SPIA carried a credit rating of A+f by Standard and Poor's and had an effective duration of 2.65 years at June 30, 2013, compared to a credit rating of A+f by Standard and Poor's and has an effective duration of 2.38 years at June 30, 2012. Gator Boosters relies on policies developed by the State Treasury for managing interest rate risk or credit risk for this investment pool.

Disclosures for the SPIA investment pool are included in the notes to the financial statements of the State of Florida's Comprehensive Annual Financial Report.

**Credit risk**—Credit risk relates to the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Gator Boosters does not have a policy for credit risk associated with its investments.

(3) **Accounts Receivable:**

Accounts receivable at June 30, 2013 and 2012, consist of the following:

(5) **Funds Held and Invested by the University of Florida Foundation, Inc. on Behalf of Gator Boosters:**

Endowment fund investments are held and invested by the University of Florida Foundation (the Foundation) to be managed on behalf of Gator Boosters. Endowment fund contributions made to the Foundation and any appreciation on all of the endowment funds are considered to be assets and net position of the Foundation. These amounts are not included in the accompanying financial statements of Gator Boosters as they are not considered to be the property of Gator Boosters. The total amount of endowment and deferred endowment assets held by the Foundation on behalf of Gator Boosters was \$47,871,764 and \$44,646,365 at June 30, 2013 and 2012, respectively.

In addition to endowment and deferred endowment funds, Gator Boosters maintains operating accounts with the Foundation. These amounts are included in the accompanying financial statements of Gator Boosters as "Funds held and invested by the University of Florida Foundation, Inc. on behalf of Gator Boosters, Inc." and totaled \$8,808,805 and \$1,638,970 at June 30, 2013 and 2012, respectively. All of the pooled investments held with the Foundation are invested in uninsured and unregistered investments, which are held in the name of the Foundation. All amounts held by the Foundation and presented in the accompanying financial statements as “Funds held and invested by the University of Florida Foundation, Inc. on behalf of Gator Boosters, Inc.” are presented at their fair value.

The Foundation distributes an earnings allocation (4.00% for the years ended June 30, 2013 and 2012) on endowment funds to Gator Boosters annually. These earnings allocations totaled \$1,483,915 and \$1,545,958 for the years ended June 30, 2013 and 2012, respectively. Gator Boosters must use the cash payout for the purposes designated by the donor. Any investment income and realized or unrealized gains in excess of the earnings allocation is retained by the Foundation and reinvested in the Foundation endowment pool.

(8) **Related-Party Transactions:**

Gator Boosters solicits contributions in support of the University's athletic programs, which are administered by the University Athletic Association, Inc. (the Athletic Association). Support is provided for scholarships and athletic facilities. Amounts transferred to the Athletic Association are reflected in the accompanying financial statements.

Gator Boosters recognizes contribution expense for amounts due to the Athletic Association in the year in which such amounts are received. The Athletic Association, however, does not recognize these amounts as revenue until the year in which the related athletic event is held or the year when the related scholarship expenses are incurred. **REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors,  
Gator Boosters, Inc.:

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Gator Boosters, Inc. which comprise the statement of net position as of June 30, 2013, and the related statements of revenues, expenses, and changes in net position and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated September 20, 2013.

***Internal Control over Financial Reporting***

In planning and performing our audit of the financial statements, we considered Gator Boosters, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Gator Boosters, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Gator Boosters, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

We noted certain matters that we reported to management of Gator Boosters, Inc. in a separate letter dated September 20, 2013.

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the Gator Boosters, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### ***Purpose of This Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
