2014-2015  **ATHLETIC YEAR IN
REVIEW**

The mission of Gator Boosters, Inc. is to strengthen the University of Florida's athletic program by encouraging private giving and volunteer leadership from Gators everywhere.

DR. W. KENT FUCHS
President, University of Florida

MR. JEREMY N. FOLEY
Athletics Director, University of Florida

MR. PHIL PHARR
Executive Director, Gator Boosters, Inc.

DEAR GATOR BOOSTER MEMBERS:

On behalf of the University of Florida, the University Athletic Association and Gator Boosters, we are proud to share this review of the 2014-15 athletic year.

Thanks to the generous support of our Booster membership, the Athletic Association is able to support 21 teams and give more than 400 student-athletes the opportunity to compete in collegiate athletics while pursuing a degree from this tremendous university. Our student-athletes are working hard to accomplish great things in the classroom, as well as in their respective sports. Our coaches and administration are also able to build and sustain championship quality programs that are comprised of those same student-athletes. The financial support you are providing is allowing these young men and women the opportunity to develop as athletes, as well as students, while at the University of Florida.

Your contributions make it possible for our teams to compete for Southeastern Conference

and national championships and we want you to know it doesn't happen without you. Once again, we should all take pride in the fact our athletic program was again recognized among the nation's top five overall programs. We appreciate all that you're doing to make this program great and want you to know Gator athletics is being managed with quality leadership and fiscal responsibility.

Your gifts are very much appreciated and we look forward to another year of great things in Gator athletics. The success of our athletics program is a reflection of your incredible financial support and we're proud to have you as a member of the "Team Behind the Teams."

In the next few pages, look back on the many highlights our Gator teams provided us last year.

- Two teams repeated as NCAA champions in 2015: Softball claimed its second-straight title, and gymnastics collected its third consecutive crown.

- A total of 13 different Gator teams finished in the top 10 in NCAA action.
- Seven conference team titles were claimed by the Gators in 2014-15, including a league-high six in SEC action.
- Only the Gator program has ranked among the top 10 in each of the last 32 national all-sports rankings. In 2014-15, Florida athletics finished fourth in the Learfield Sports Directors' Cup, which annually tracks the nation's top overall sports programs. This is the seventh consecutive season Florida ranks among the nation's top four in the Learfield Sports Directors' Cup.
- Of the 336 Gator student-athletes who received their degrees in the last four years, 65 percent were part of a national or conference championship team.

Thank you for all you do to make this program successful and we look forward to seeing you in Gainesville soon. It's Great to be a Florida Gator.

GATOR CHOMPions!

“There were so many great performances by the Gators this season. Gymnastics and softball repeated as national champions and many other Florida teams were challenging for the top spot. Competing at this level is the result of hard work and effort by the Gators and their coaches. We certainly appreciate the passion and teamwork displayed by the Gators throughout this season.”

2014-15 NATIONAL ALL-SPORTS RANKINGS

Top-10 national championship finishes by 13 Gator programs—including a pair of NCAA team titles—led the University of Florida athletics program to fourth in the 2014-15 Learfield Sports Directors' Cup standings. The finish marks Florida's seventh straight top-four finish in the rankings.

The Learfield Sports Directors' Cup, presented annually by the nation's athletics directors, recognizes the schools with the best overall sports performances in an academic year. Points are awarded based on finishes and participation in 20 NCAA Division I sports.

Gymnastics and softball were the NCAA champions again in 2015. The gymnastics title was the third consecutive for the Gators, as their 0.05 winning margin equaled the slenderest in the meet's 34-year history. Softball took its second straight Women's College World Series title. The Gators became the first club in the 11-year history of the WCWS Championship Series format to claim the title by winning games one and three.

Florida's 13 top-10 national team finishes in 2014-15 matches the second-most in school history. At least 10 Gator teams have turned in top-10 finishes in each of the last 14 seasons. The program's record of 14 top-10 finishes came in 2009-10.

ACADEMIC SUCCESS

In 2014-15, 191 University of Florida student-athletes earned Southeastern Conference Academic Honor Roll recognition. The SEC annually selects an Academic Honor Roll for each team that recognizes student-athletes who have posted cumulative 3.0 grade-point averages for the previous academic year. When Florida's selections for the SEC First-Year Academic Honor Roll are added, a total of 237 Gators earned recognition by the league in 2014-15 for their work in the classroom.

UF is the only SEC school to place 100 or more student-athletes on the Academic Honor Roll in each of the last 18 years.

Gator senior **Holly Pole** was named volleyball's SEC Scholar-Athlete of the Year.

Academic All-America Hall of Fame

Gator Great **Danny Wuerffel** became the sixth Gator inducted into the Capital One Academic All-America Hall of Fame in June of 2015. Wuerffel became the third Gator football great to receive the honor. Florida's total of three football inductees is tied for the second-highest total of any NCAA institution, behind only Air Force and Notre Dame, each with four.

Florida has had five members inducted since 1997, the most of any school in the country. Wuerffel joins several other Gator Greats in the Academic All-America Hall of Fame—**Elfi Schlegel** (2013/gymnastics), **Dr. Megan Neyer** (2011/diving), **Cris Collinsworth** (2001/football), **Tracy Caulkins Stockwell** (1997/swimming) and **Carlos Alvarez** (1988/football).

CONFERENCE RESULTS

A league-high six team titles led the University of Florida athletics program to the 2014-15 GateHouse Media SEC All-Sports Trophy.

It is Florida's 25th overall and ninth consecutive SEC All-Sports Trophy.

Florida was second in both the men's and women's final standings. Texas A&M won its first women's SEC All-Sports title since joining the league for the 2012-13 season. LSU took home the men's SEC All-Sports title—its first since 1996-97.

- The Gators won their first SEC All-Sports Trophy in 1987-88. Florida has claimed 25 of the last 28 SEC All-Sports trophies.
- Florida's total of 224 all-time league team titles is the most in the SEC. In the last 10 seasons, UF leads the league with 56 titles.

UF senior **Lauren Haeger** is the 2014-15 Roy F. Kramer SEC Female Athlete of the Year. A Gator has now picked up a SEC Athlete of the Year honor 11 times since 1984. Haeger is the fifth Gator athlete named SEC Female Athlete of the Year and the second-straight, as Hannah Rogers won the award following UF's softball championship a season ago.

CORE VALUE: INNOVATION

With an incoming class that was ranked No. 3 in the nation by Baseball America and Collegiate Baseball, head coach Kevin O’Sullivan did not shy away from putting the newcomers in the lineup. A trio of players—Dalton Guthrie, Mike Rivera and JJ Schwarz—earned Freshman All-America honors, while Alex Faedo earned a spot in the weekend rotation.

Dalton Guthrie (left) and Mike Rivera were two key pieces for the Gators in their run to the College World Series.

LEFT TOP: Senior third baseman **Josh Tobias** closed his career with a flourish, leading the Gators with a .355 batting average on his way to All-America and All-SEC recognition. He made just one error on the hot corner and posted a .993 fielding percentage.

RIGHT TOP: Named the Freshman Hitter of the Year by the NCBWA, **JJ Schwarz** established a UF single-season freshman mark with 18 homers and led the squad by driving in 73 runs.

RIGHT MIDDLE: **Richie Martin** was a finalist for the Brooks Wallace Award as the nation’s top shortstop and was selected No. 20 overall in the

2015 Major League Baseball Draft by the Oakland A’s, becoming the Gators’ fourth first-round pick in the past four years.

BOTTOM: Florida brought home its seventh SEC Tournament Championship with a 7-3 triumph over Vanderbilt at the Hoover Met. The Gators claimed the event for the first time in four years by winning four straight contests and knocking off the top two seeds in consecutive outings, top-ranked LSU and the defending national champion Commodores.

MEN'S BASKETBALL

Dorian Finney-Smith earned All-Southeastern Conference honors, leading the Gators in scoring (13.1), rebounding (6.2) and 3-point percentage (.426). Devin Robinson also earned SEC All-Freshman honors, scoring 6.4 points per game.

CORE VALUE: EXCELLENCE

After 19 years, the Gators said goodbye to head coach Billy Donovan, who embodies the UAA's core values (which consist of Passion, Integrity, Excellence, Respect, Innovation and Teamwork) as much as any coach ever has. Donovan reached his 500th career win before his 50th birthday, just the second men's Division I coach ever to do so, before becoming the head coach of the NBA's Oklahoma City Thunder.

LEFT TOP: The Gators knocked off a ranked Arkansas team on Jan. 31, when **Michael Frazier II** hit a pair of free throws with 1.9 seconds remaining to clinch a 57-56 victory. Dorian Finney-Smith paced Florida with 16 points and nine rebounds in the game.

LEFT BOTTOM: **Jacob Kurtz** became the first walk-on at Florida to start a game in nearly 20 years, starting seven games while appearing in all 33 contests. Kurtz, who played his final season while enrolled in graduate school, led the Gators with nine drawn charges during the season.

RIGHT TOP: **Dorian Finney-Smith** saved the Gators in Tuscaloosa with a game-winning dunk with 21 seconds remaining. Finney-Smith then sealed the victory with a blocked shot on Alabama's final possession, as Florida earned a 52-50 win on Jan. 27.

RIGHT BOTTOM: **Devin Robinson's** 17 starts was the most for a Gator freshman since Bradley Beal in 2011-12. A Southeastern Conference All-Freshman Team selection, Robinson turned in 10 double-figure scoring games in 2014-15.

WOMEN'S BASKETBALL

Only five Southeastern Conference teams won at least four league road games during the 2014-15 season—including Florida. The Gators won four SEC road games for the first time since 2005-06.

Overall Record: 13-17

SEC Record: 5-11

CORE VALUE: PASSION

Southeastern Conference rival Georgia ripped off an 11-2 run early in the second half against the Gators, taking a 38-24 lead with 15:09 remaining in the February 12th game in Athens.

Head Coach Amanda Butler, a UF graduate herself, called a timeout and implored her team to fight like Gators.

Florida showed its grit and came together by staging a thrilling comeback. The Gators scored 13 consecutive points during the final four minutes, overcoming a 14-point, second-half deficit to earn a 51-48 win against the No. 24-ranked Lady Bulldogs for Florida's first win in Athens since 2004.

LEFT TOP: Nine of the 11 Gators who finished the season earned a spot in the starting lineup during the 2014-15 campaign, with only **Kayla Lewis** starting all 30 games. Lewis, the lone senior on the roster, capped her five-year tenure as the 23rd player in program history to score 1,000 career points.

LEFT BOTTOM: **Ronni Williams** became the first sophomore to lead the Gators in scoring (10.3 points per game) since Sha Brooks did so during the 2006-07 season. Williams tallied a team-best 18 double-figure scoring games and was involved in a team-high 11 three-point-plays, as she converted 9-of-11 free throws.

RIGHT TOP: Junior **Cassie Peoples** was the only Gator who scored in all 30 games during 2014-15. Peoples led UF and ranked third in the Southeastern Conference with 4.6 assists per game. She also paced the team in steals and was UF's second-leading scorer (9.3 points per game).

RIGHT BOTTOM: Junior **January Miller**, who ranked No. 2 on the team with 46 steals and hit an impressive 72.4 percent from the free throw line in 2014-15, was one of six Gators who earned a spot on the Southeastern Conference Winter Academic Honor Roll. Additionally, three of her rookie teammates garnered SEC First-Year Academic Honor Roll recognition.

MEN'S CROSS COUNTRY

The Gators won one race and finished second in two others in 2014 despite featuring a starting lineup without a single senior.

HIGHLIGHTS

NCAA South Region Finish: 8th
SEC Finish: 10th

CORE VALUE: RESPECT

Sophomore Carlos Miranda embraces head coach Mike Holloway following the NCAA Regional meet. Although their times did not always reflect their hard work, a young Gator squad followed and listened to its coaching staff all season and improved significantly by the end of the year.

LEFT TOP: Junior **Elliot Clemente** collected three top-20 finishes and was one of two Gators to finish inside the top 50 at the NCAA South Region Championship this season.

RIGHT TOP: Redshirt sophomore **Mark Mutz**, a two-time Southeastern Conference Academic Honor Roll member, posted a pair of top-15 finishes and ran in each of the Gators' six meets.

BOTTOM: Redshirt sophomore **Mac Reynolds** won his first collegiate race at the Western Carolina Invitational. Reynolds was Florida's top point-scorer in two races in 2014.

WOMEN'S CROSS COUNTRY

Behind the trio of Lauren Brasure, Becky Greene and Taylor Tubbs, the Gators won their first two races of the 2014 season and finished in the top-five at the NCAA South Region Championship.

HIGHLIGHTS

CORE VALUE: TEAMWORK

The Gators worked together and won the 2014 Mountain Dew Invitational behind a 1-2-3 finish from Lauren Brasure, Becky Greene and Taylor Tubbs. The title was Florida's ninth Mountain Dew Invite win of the last 10 years.

CORE VALUE: EXCELLENCE

The path to the 2015 NCAA Championship was far from easy, as the Gators faced injuries and setbacks during the campaign. Florida lost three road meets versus top-10 teams and saw its SEC Championship hopes end with a tough beam set.

Each adversity prepared the team for the NCAA Championships. Strong performances on beam, floor and vault led to the critical closing event.

On the final rotation, back-to-back 9.95s moved the Gators to the top of the team standing by just 0.05—the slimmest winning margin in the meet's 34-year history.

Freshman **Alex McMurtry** celebrates with Assistant Coach Robert Ladanyi after ending the Gators' uneven bars set with a collegiate-best 9.95. Her score pushed Florida to first in the final NCAA Super Six team standings.

LEFT TOP: Kytra Hunter's senior season was outstanding. She was named the Honda Award winner as the nation's top collegiate gymnast. The Southeastern Conference Gymnast of the Year claimed nine all-around wins in 2015, including a share of the NCAA title. She also became Florida's first individual in 30 years to win the NCAA floor exercise title.

RIGHT TOP: Bridget Sloan suffered a severely sprained right ankle in the season opener, but worked to return to the Gator lineup. In her first all-around of the season, Sloan won the NCAA Morgantown Regional with a 39.80—the nation's second-highest total of 2015. She went on to earn four All-America honors at the NCAA

Championships and provided Florida with a key 9.95 on bars to help push the Gators to the top of the NCAA Super Six team standings.

LEFT BOTTOM: Kennedy Baker shared the Southeastern Conference Freshman of the Year Award. It was the fifth such honor for UF since 2010. She is just the second Gator freshman in the program's history to post a floor exercise 9.975.

RIGHT BOTTOM: Bridgette Caquatto collected All-America honors in uneven bars and floor exercise at the NCAA Championships. Marks of 9.95 for the same events in Southeastern Conference Championships competition earned her a spot on the All-SEC team.

An up-and-down season was highlighted by a 38-20 win over No. 9 Georgia in Jacksonville. The win epitomized the effectiveness of playing as a team. Freshman quarterback Treon Harris, making his first career start, was able to rely on running backs Matt Jones and Kelvin Taylor to carry the load on offense. The duo combined to rush for 389 yards and four touchdowns behind stellar offensive line play. A stout defensive effort shut down the Bulldogs and led the Gators to their first win over Georgia since 2010.

Head coach JC Deacon and freshman Ryan Celano celebrate at the NCAA Chapel Hill Regional, where the Gators surpassed expectations by qualifying for the national championship. The Regional was the culmination of the squad's season-long improvement, as it was truly a group effort that led the team to post some of its lowest scores of the year. The entire Orange and Blue lineup contributed rounds that helped Florida place four spots better than its seed to qualify for the NCAA Championships in Bradenton.

LEFT TOP: After posting the lowest round of his Florida career at the NCAA Regional Championship (4-under 68), sophomore **Ryan Orr** represented Florida as the only Gator to qualify for the final round of stroke play at the NCAA Championship. Orr was also member of the SEC Men's Golf Community Service Team.

LEFT MIDDLE: Redshirt sophomore **A.J. Crouch** claimed Florida's first individual title since the 2011-12 season when he won the FGCU Classic with a score of 2-under 214. Crouch would go on to place in the top 10 at the NCAA Chapel Hill Regional.

RIGHT TOP: With a team-best stroke average of 71.90, senior leader **J.D. Tomlinson** collected 10 top-25 finishes and shot 25 rounds at or under par during the season. He received Second Team All-SEC accolades and was named a PING Honorable Mention All-American.

Punch the clock. Carry a lunchbox filled with the tools to develop the 2015 Gator softball team.

Those shiny lunchboxes contained hard candies, rubber balls, super glue, photos and flash cards. Each item represented tools to build the team. Punching the clock signified coming to work every day at the field. Glue represented the bond between players. Hard candies show the Gators can't be soft. The rubber ball signified the ability to bounce back. The cards were shown to teammates on the field who exhibited one of the team's key traits, such as "confidence" or "resiliency."

The Gators took their time clock and lunch boxes to Oklahoma City and returned with the 2015 NCAA Championship trophy.

Win, loss or tie, after each and every match, the Gators put pen to paper to express their thanks to their opponents. One player put the resonating thoughts into a single letter and then that was put in the Gators' season scrapbook.

These letters never were put in a mailbox and sent to the opponents, but that wasn't important. What was is recognizing that each opponent had something to teach the Gators.

It was a chance to reflect on ways to improve, both mentally and in execution. Those lessons were key as the 2014 Gators made their deepest NCAA Tournament run in 11 seasons.

Thank yous written to their opponents after every match of 2014 helped the Gators focus on lessons gained.

LEFT TOP: For the second consecutive season, **Savannah Jordan's** final goal total ranked among the nation's top 10. Her 19 goals stood No. 8 among the 2014 NCAA Division I players. Her career total of 41 goals is second only to Gator Great Abby Wambach's combined freshman and sophomore total of 42 goals.

LEFT BOTTOM: Junior **Christen Westphal** earned her third consecutive spot on the All-Southeastern Conference team in 2014, appearing on the first team for the second-straight season. She was second among the Gators in minutes per match, posting an average of 87.3.

RIGHT TOP: **Havana Solaun** earned a spot on the All-Southeastern Conference first team. She finished with a career-high nine goals in 2014, including scoring in each of Florida's four NCAA matches.

RIGHT BOTTOM: In her first season playing center defender, **Claire Falknor** led the Gators with her average of 89.0 minutes per match. She was named to the All-Southeastern Conference second team.

The Gators were the top Southeastern Conference finisher among the four league teams in the top 10, finishing in the top-10 for the 16th straight year, all coming under current head coach Gregg Troy, who was named SEC Men's Coach of the Year for the third year in a row and for the seventh time in his career.

Dale Schultz, UF's diving coach, replaced Donnie Craine, who passed away in April 2014. Craine, a longtime friend of Schultz, steered the Gator diving program for 30 seasons and was a five-time SEC Diving Coach of the Year. Schultz and the divers met in the fall and, in those discussions, honoring Craine was a goal. Showing their passion for the sport through their performance was one of their outlets. Junior Zach Hernandez took eighth in the NCAA Championships' consolation final to earn an honorable mention All-American award. He was UF's first male diver to compete at NAAs since 2012 and first All-American since 2006. It was a performance that would have brought a wide smile to Craine's face.

TOP LEFT: Day one of the NCAA Championship brought a Gator first. Freshman **Caeleb Dressel** became UF's first swimmer ever to win a NCAA 50-yard freestyle (18.67) title.

UF's swimmers sported "S4S" on their wrists—as in "Swim for Sinead"—during the second half of this season. That's seven SEC titles and a school-record seven national titles for the No. 3 jumper in collegiate history.

Pride and passion are paramount traits of head coach Mike Holloway's track and field program. After the 2015 NCAA Outdoor Championships historic 4x100 relay performance—the first 4x100 national title in school history—the chips didn't fall the Gators' way as Championship Saturday progressed at Historic Hayward Field in Eugene. A top-four podium finish out of sight, Holloway had a simple message to his 4x400 relay before the final event of the night:

“Go out there and compete like Gators—with pride and passion. This is the last impression you'll leave on those fans. Let's give them something to remember.” Cue the Gators' third 4x400 national title in school history, their first since 1992.

LEFT TOP: Kyra Jefferson turned in a special 2015, winning the 200 meters at the NCAA Indoor Championships and at both Southeastern Conference Championship meets. She also ran on both national champion relays at the NCAA Outdoors. A five-time first-team All-American in 2015, Jefferson won every single 200 and 400 race except for two. The USTFCCCA South Region Outdoor Female Track Athlete of the Year, Jefferson holds both 200 school records.

LEFT MIDDLE: Junior Robin Reynolds, a four-time All-American in 2015, was the leadoff leg on UF's two national champion relays. Reynolds picked up All-America accolades in both the indoor and outdoor 400m highlighting 34 All-America performances this season.

At the forefront for the 2014 Gators: teamwork. How about three senior back-row players, two of them walk-ons, who anchored a potent Gator defense and stellar passing game? Or the SEC Player of the Year in Alex Holston, just a sophomore, who put the Gators on her back a time or two. Can't forget the nation's hitting efficiency leader, freshman Rhamat Alhassan. Depth, talent and teamwork led the Gators to a successful campaign, capped off by a thrilling, record-breaking five-set triumph to upset No. 3 Texas in the regular-season finale before a deep NCAA Tournament run. Teamwork at its finest.

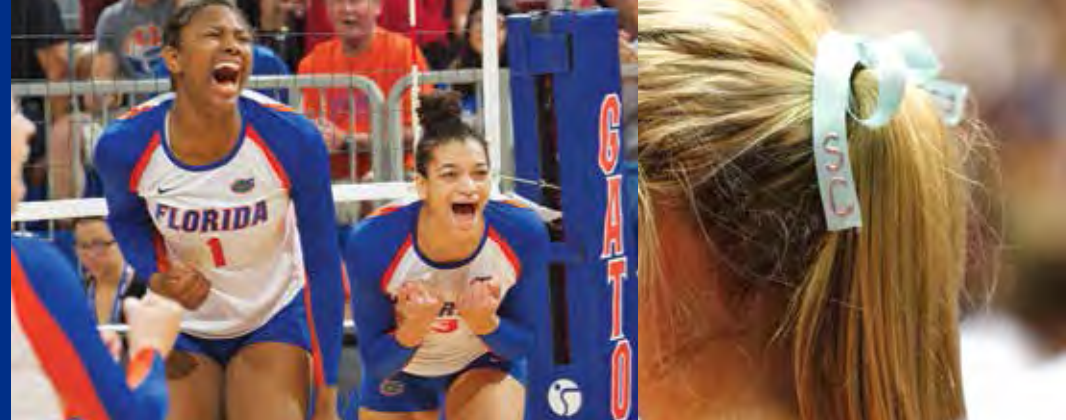

LEFT TOP: Rhamat Alhassan, the Southeastern Conference and AVCA Southeast Region Freshman of the Year, and Alex Holston, the SEC Player of the Year, paved the way for the Gators' four All-Americans last season. Alhassan (second team), the nation's hitting efficiency leader, and Holston (first team) were joined by Mackenzie Dagostino (third team) and Simone Antwi (honorable mention) with All-America accolades in 2014.

MIDDLE: In her 24th season at the helm of a dominating Florida volleyball program, Mary Wise became the only active female Division I head coach to eclipse 800 career victories in 2014, and she did so in spectacular fashion with a 3-0 sweep at No. 6 Southern California in September. Wise enters the 2015 season with 823 wins, 742 of those coming at UF.

RIGHT TOP: Florida dedicated the 2014 season to Sophia Castro with Tiffany Blue Tribute hair ribbons through the NCAA Tournament. STEPHEN C. O'CONNELL CENTER RENOVATION

The Stephen C. O'Connell Center has come to represent the spirit of the University of Florida and the Gator Nation: excellence, tradition, hard work, celebration. Protecting this campus icon is central to preserving the University of Florida's identity while dramatically improving the experience for students, student-athletes, coaches, community residents and the University's many fans and alumni who use the O'Connell Center each year.

University of Florida President W. Kent Fuchs and Athletics Director Jeremy Foley have strategically placed the renovation of the Stephen C. O'Connell Center at the top of their priority list.

Improvements to the O'Connell Center plan include a new club lounge, expanded courtside and premium seating areas, a two-story grand entrance, a center-hung LED video board, centralized box office and retail space, chair-back seating, improved sightlines and more. For information on how you can participate in this historic initiative, please contact Gator Boosters at (352)375-4683 x5000.

STEPHEN C. O'CONNELL CENTER—A CAMPUS ICON

“The addition of an indoor practice facility will allow our team to prepare no matter the weather conditions. The timing is right to move forward with this project so that Coach McElwain and his team will have the tools necessary to succeed.”

—Jeremy Foley, Athletics Director

INDOOR FOOTBALL PRACTICE FACILITY

The University Athletic Association began construction on an indoor football practice facility in the spring of 2015. The facility will be located on the site of the current Sanders Football Practice Complex and will be completed in early September of 2015.

The new indoor facility will house:

- A full 120-yard, synthetic turf football field
- Additional space for drill work on the north end of the field
- Three camera platforms
- Satellite training room facilities
- Equipment storage
- Restrooms
- Multiple overhead roll-up doors along the west side for ventilation, as well as easy access to allow the team to utilize all three fields during practice

In addition to the indoor turf field, the updated Sanders Football Practice Complex will include:

- Two natural grass fields
- A 120-yard field (including two end zones)
- A 70-yard field (with end zone on one end)

The project will also feature a newly redesigned entrance to Alfred A. McKethan Stadium and the Sanders Football Practice Complex. The indoor facility will be available at times throughout the year for other Gator sports as needed.

FARRIOR HALL/ THE OTIS HAWKINS CENTER FOR PERSONAL AND ACADEMIC EXCELLENCE

“Farrior Hall is the one area where all of our 500-plus student-athletes share common experiences while working toward their goals. They get academic counseling, tutoring and job placement assistance. The Otis Hawkins Center for Personal and Academic Excellence is there every step of the way, from orientation and enrollment to graduation and beyond. It is their home away from home. Because of that, I’m asking for your participation in the renovation and expansion of our nearly 20-year-old facility, Farrior Hall.”

—Jeremy Foley, Athletics Director

RENOVATION HIGHLIGHTS

- A bright, spacious, three-story lobby connecting Farrior Hall/Hawkins Center to the new building, recognizing academic achievements and donors
- 50 tutoring rooms for content and strategy sessions, allowing uninterrupted tutoring and personal development sessions
- Three new computer labs
- Office space for Hawkins Center staff
- A nutrition wing, offices for a nutritionist and full demonstration kitchen
- Sports medicine research area/Peak Performance
- 125-seat auditorium for classes, seminars and orientation session

J. Rex Farrior Hall was completed in 1996 thanks to the generous gift of Mary Lee and J. Rex Farrior, Jr, after whom the building is named. With the addition of new sports teams and the need for additional space, the building was in need of expansion and renovation. In keeping with the family’s commitment to academic and athletic excellence, sons J. Rex Farrior, III and Preston Farrior stepped up to double the square footage of the original building. The new building is a wonderful example of Rex and Preston’s commitment to their family and the university.

The Lee Chira Family Heisman Plaza— New Name for Heisman Home

One of the most photographed spots in Gator Athletics will have a new name—the Lee Chira Family Heisman Plaza.

The life-size statues of Florida’s three Heisman Trophy Winners—Steve Spurrier, Danny Wuerffel and Tim Tebow—are located on the West side of Ben Hill Griffin Stadium and are a popular photo opportunity for visitors to campus.

“The Heisman represents excellence in both leadership and athletics, both of which are important to me,” said Lee Chira. “Our family has a strong belief in giving back, so this was an excellent opportunity to make a \$1.5 million commitment to the University of Florida.”

GATOR BOLLARD PROJECT

Gator Boosters, Inc. has an exciting naming opportunity for Gator fans—Gator Bollard Project. These Gator Bollards are prominently featured outside the west side of Ben Hill Griffin Stadium stretching along L. Gale Lemerand Drive. They are a true focal point as Gator fans enter the stadium and will allow Gator fans to forever leave their mark on Florida Football. Each bollard can be named for a \$10,000 contribution to the Athletic Education Fund. Payment can be made in one lump sum or over a two-year period, and the gift is eligible for two (2) priority points for every \$100 contributed. A limited number of bollards are available so make your pledge now.

All proceeds will benefit the Athletic Education Fund providing scholarships for current and future generations of Gator student-athletes.

Please visit www.gatorboosters.org/bollards or call (352) 375-4683 x5015 for more information.

BEN HILL GRIFFIN AWARD

This award is presented annually to the top University of Florida female and male student-athlete for outstanding levels of success in academics, athletics and leadership. The award was established in 1992 in honor of the Griffin family for their loyal support of Gator athletics over the years.

Ben Hill Griffin Award winners are chosen from nominations provided by the head coach of each sport. The award is open to all student-athletes and is based on the calendar year 2014.

HANNAH ROGERS

Softball

When it comes to impressive individual careers in the Gator history books, you can stack up the resume of Hannah Rogers against anyone. Rogers was a force in the circle for the Orange and Blue as the program's first four-time All-American. Rogers finished her UF tenure with a 127-and-31 record, leaving Gainesville as the NCAA active career leader in wins and becoming just the second Gator ever to eclipse the 100-win mark.

The Lake Wales native finished her Gator career ranked second in UF record books in wins, saves, complete games, strikeouts, shutouts and appearances, and sixth for lowest earned run average.

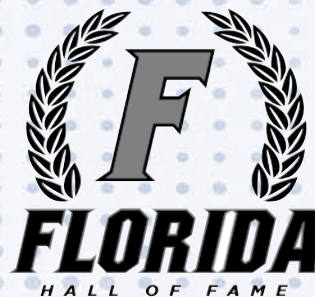

Rogers also racked up three no-hitters, seven career solo one-hitters, five combined one-hitters and a combined perfect game during her junior season.

Rogers' 2014 campaign was one to remember. She notched a 30-and-8 record during the regular season, but it was in the postseason when she became a true star. In eight NCAA Tournament games, Rogers went 7-and-0 with a 0.64 ERA and got the save in Florida's 6-3 win over Alabama to clinch the program's first-ever national championship.

She was named the Most Outstanding Player of the Women's College World Series and was also named the 2014 SEC Female Athlete of the Year, the first female Gator in 20 years to pick up the honor.

Rogers made a tremendous impact on and off the field of competition, having left her mark on both the University of Florida and Gainesville communities during her time donning the Orange and Blue.

Congratulations to Hannah Rogers—the 2014 Ben Hill Griffin Award Winner as the top female student-athlete at the University of Florida.

MARK YOUR CALENDAR FOR SPRING 2016

If you would like to be a part of this special evening, please contact Kyle Rogers at Gator Boosters, Inc., 352-375-4683 x5021 for more information!

The University of Florida Athletic Hall of Fame is hereby established to honor the members of past athletic teams who have excelled in intercollegiate athletics at the University, or gained national recognition in athletics following graduation. Induction into the University of Florida Athletic Hall of Fame is the greatest honor that is bestowed upon individuals by the F Club, the University of Florida Letterwinners' Association.

MARCIN CIESLAK

Men's Swimming

The Florida Swimming and Diving program has a long and storied history of team and individual accomplishments. Add Marcin Cieslak's final season in Gainesville to that incredible list.

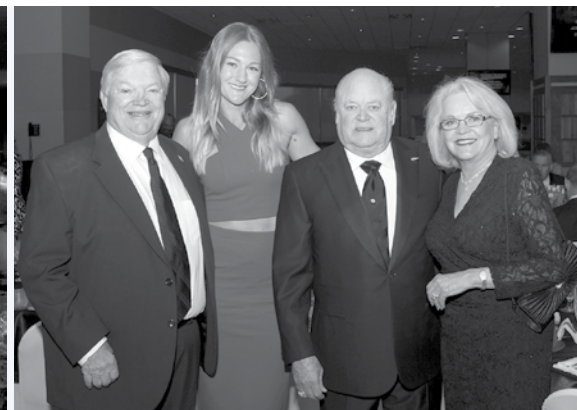

The senior from Warsaw, Poland made quite a splash in the pool for the Orange and Blue last season as he helped guide the Gators to their second straight SEC championship. At the meet, Cieslak captured the SEC title in the 100 butterfly and also helped UF to championship swims in the 200 medley relay and 800 free relay. Cieslak's seven career SEC titles ranks him fourth in Florida history.

Cieslak continued to shine at the NCAA Championships by garnering the High Point Award of the meet with 57 individual points after swimming to national titles in the 200 individual medley and 100 butterfly and a second place finish in the 200 butterfly.

While winning those titles, he also set UF's butterfly records, touching in 44.84 seconds in the 100 and 1:40.19 in the 200. In capturing UF's seventh 200 individual medley championship, Cieslak did so with the fourth-fastest-ever swim of 1:40.58.

He finished his career with 25 All-American honors—which ranks him third all-time in UF history—and three NCAA titles, making him only the 10th Gator to reach that mark.

Cieslak's stellar senior campaign earned him 2014 SEC Male Swimmer of the Year honors—just one of many reasons that he's the 2014 Ben Hill Griffin Award winner as the University of Florida's top male student-athlete.

FACILITY DONORS

The University of Florida is fortunate to provide its coaches and student-athletes with the very best athletic facilities.

GATOR TALES

Larry Ray was hired in 1996 and the first softball game was in 1997. Larry came to Baseball and asked a few of us help start the Softball club, and so we did. We had been with Baseball since 1986. We would see the team off and be there to see them come home 99 percent of the time, regardless of the hour or if they won or lost the game, until illness forced us to stop. I still find myself looking at the clock and wondering if they got home OK. The kids and coaches are like family to us and always will be.

We also went to Volleyball and, even when the club took a bus, we were there with them. Those were the days.

Because of illness, we can only make it to Softball now. Sometimes we're not able to stay the whole game, but we make it out and will not stop trying. We tried to go when the girls were introduced at the football game after winning the 1st National Championship, but could not be down with them in the bleachers because of the wheelchair, so the others told us how it went. I probably have said too much, but we love the Gators. As long as they give it their best, you can't ask for more!

—Marleen, Rodgers and AJ Aiton

Since this was written, the Gator Nation lost a great Gator—Rodgers Aiton

GATOR TALES

The Friedland Family, including Gator Lew, his wife Linda, six kids (Amber, Audrey, Robert, Marc, Ryan and Cory) and four grandsons (Cole, Keen, Cooper and Reece), have great love for the Gators, both educationally and in sports. Our family has earned six degrees from the University of Florida (and four advanced degrees from other schools), funded swimming endowments, and never misses a Gator football home game. Our tailgate parties are legendary, feeding 50 to 100 of our closest Gator friends, starting early and ending late every game day.

The family has made trips to all the football and basketball national championship games, as well as many of the SEC Championships in Atlanta. We started bringing the kids to Gator games when they were very young (3+) and that tradition carries forward with our four grandsons. Our family loves to fish and cruise on the "Reel Love," and compete in athletic events. The kids have finished six Ironman Triathlons, many marathons and many other athletic events. Big Daddy Lew, a.k.a. BDL, a competitive swimmer his entire life, has even survived a few long distance open water swim events. You might even recognize Lew by his "G8R LEW" license plate on that silver Ford 150.

We are very excited to see the Gator football program competing again for National Prominence.

 Audrey Friedland Ford, BS 2001, MS 2004, MPAS 2009
