UCLA Women's Softball Fund

Alumni, Patrons, & Supporters,

At UCLA, we have the honor of surrounding ourselves with Bruin greats on and off the athletic field. The UCLA Softball program takes great pride in developing strong successful female leaders, striving for excellence on the field and in the classroom. The mission of the program is to graduate our student-athletes into the real world where they can thrive in their pursuits because of the lesson learned and experience gained as a member of the most successful softball program in the country. Our devotion to our guiding principles and the legacy of Coach Wooden is paramount in our daily commitments.

Our success is enhanced by the generous donations of our supporters and alumni that give back to the program. The support we receive helps us keep UCLA Softball in the most competitive arena to recruit, train and develop the best student-athletes. The benefits we have gained in areas of facilities, resources, and opportunities have made a difference thru the years and there is never a more important time than right now to keep UCLA Softball the most successful program. No school has won more National Titles in the sport of softball and we value being a part of a department that produces more National Titles than any other institution. In softball we were the first to 10 Titles and we will be the first to 20 with your help.

We have many projects needed to upgrade our facilities to remain competitive. In addition, we value the opportunity to utilize resources that are outside of our operating budget which maximize our ability to succeed academically and athletically during the year. Developing the entire student-athlete thru our leadership curriculum, performance specialists, and additional resources is our continued commitment. The financial support provided by our donors allows us to enable our student-athletes to be NCAA Champions and successful Leaders.

Sincerely,

Head Coach Kelly Inouye-Perez & the UCLA Softball Coaching Staff

UCLA Softball Alumni Excellence & Leadership Curriculum

UCLA Softball is proud to have such a strong alumni tradition of excellence and involvement. One alumna in particular, Shelly Carlin, Senior Vice President of Human Resources at Motorola, recently committed to a \$400,000 gift to fund a new Leadership Curriculum and to establish a "Wall of Fame" at Easton Stadium. Carlin's gift is the single-largest ever by a female former student-athlete. The UCLA Softball Leadership Curriculum is truly innovative and is designed to bring to life the experiences, legacy and resources of the UCLA Softball family to help in the achievement of our mission. By bringing together current student athletes, coaches, and Bruin softball alumni, we'll capture and harness the power and the magic of "The BruWin Bubble" in a way that will ensure our program's dominance for the next 30 years. GO BRUINS!!

LEVELS & BENEFITS
