Dear Minutemen Fans,

This is a dynamic period in the history of UMass Athletics. We believe that we have tremendous opportunities over the next few years with regard to our Athletic future. "UMass Rising," University of Massachusetts's first Comprehensive Campaign, successfully passed the \$250 million mark in April 2014.

We recognize the on-going need to provide our student-athletes with outstanding coaches and facilities. As such, we hope you will consider supporting the new 55,000 square foot Football Performance Center with a financial investment. Set to open in July 2014, project highlights include:

Football Performance Center Program Areas:

- Locker Room (120 Lockers)
- Sports Medicine Center
- Strength & Conditioning Center
- Football Office Suite & Team Meeting Rooms
- Team Auditorium
- Lobby/Hall of Fame
- Terrace Overlooking the Field

Jacobson Press & Skybox Complex Program Areas:

- TV Broadcast Booth
- Radio Broadcast Booths
- Coaches Booths
- Instant Replay Booth
- Game/Event Operations Booths
- Writing Press Area
- Home & Visiting Team Hospitality Suites

The Football Performance Center is a first-class facility for UMass Athletics as we compete on the national stage of college football. As we continue our UMass Rising campaign I would like to invite fans, friends and donors like you to make an investment in our program while establishing a lasting legacy for you and your family.

Thank you for your consideration of a gift to this important initiative for the University of Massachusetts.

Go Minutemen!

**4TH AND GOAL
WE NEED YOU.**

“ Recruiting is the lifeline of competitive athletic programs. These new, state-of-the-art facilities signify a heightened commitment to the University of Massachusetts Football program, the training of our student-athletes, and development of a Football Bowl Subdivision program.

-MARK WHIPPLE
Head Coach,
University of Massachusetts Football

“ I’ve been a huge proponent that athletics enhance the value of going to a state university. I enjoyed my time at the university and the fact that we are now able to play FBS football each Saturday is something that is very exciting. UMass is building a program that my brother Dick and I are very excited about and to help with the new Press & Skybox Complex is something that gives us great gratification.
